LIABILITY

By registering, each athlete acknowledges that the Campolongo Winter Night Run is a sporting event involving significant physical difficulty and confirms that they have inspected the course. The competition takes place mainly on the groomed tracks of the Centro Fondo Campolongo. Each participant confirms having been adequately informed by the organisers of the unavoidable objective risks, considers the event fully appropriate to their technical ability and physical fitness and consequently assumes those risks.

Competitors therefore release the organisers from any civil or criminal liability arising from their own improper conduct or damage caused by them. The organisation is not responsible for the loss or theft of personal effects and/or property left unattended before, during or after the race in the start/finish area, dining area or awards area.

PERSONAL MEDICAL INSURANCE

The Organising Committee (OC) takes out civil liability insurance covering the entire event period. The OC recommends that participants obtain the insurance cover offered by ITRA (International Trail Running Association – https://itra.run) to its members.

ANTI-LITTER CAMPAIGN

The Campolongo Winter Night Run supports the “I do not litter” campaign to protect the environment and nature. No cups will be provided at refreshment stations; competitors must carry their own cup or drinking bottle. Athletes are asked to dispose of waste (e.g. gel wrappers) in the designated bins at the refreshment station. Competitors reported for improper conduct may be penalised and/or disqualified at the organisation’s sole discretion.

RESPECT FOR THE ENVIRONMENT – IMMEDIATE DISQUALIFICATION

Littering of any kind along the routes is strictly prohibited and will result in immediate disqualification and fines in accordance with the law. Every participant must pay particular attention to this rule.

RESPECT FOR THE ENVIRONMENT – PERSONAL FOOD CHECK

Every athlete must write their bib number on any energy bars or gels carried. If such items are found along the course, the athlete concerned will be immediately disqualified.

COURSE CHANGES AND RACE CANCELLATION

The organisation reserves the right to change the course or the location of first-aid and refreshment stations at any time without prior notice. In adverse weather conditions (dense fog, heavy snowfall or objective hazards) that may jeopardise competitor safety, the start may be postponed or cancelled, the course may be modified or shortened, or the race may be stopped at any point along the route.

Competitors will not be entitled to any refund of the entry fee if the race is suspended, modified or cancelled.

ROAD BOOK – COURSE MAPS – GPX TRACKS

The road book, course maps, elevation profiles and GPX tracks can be viewed and downloaded free of charge at www.trailrunningaltopiano7c.com and https://it.wikiloc.com/.

They also expressly grant the organisation and its sponsors, free of charge, the right to use still or moving images in which they may appear for promotional and/or advertising purposes relating to the event.

ANIMALS

To ensure the best possible safety conditions for all participants, competing while accompanied by pets is strictly prohibited. Violation will result in the athlete’s immediate disqualification.

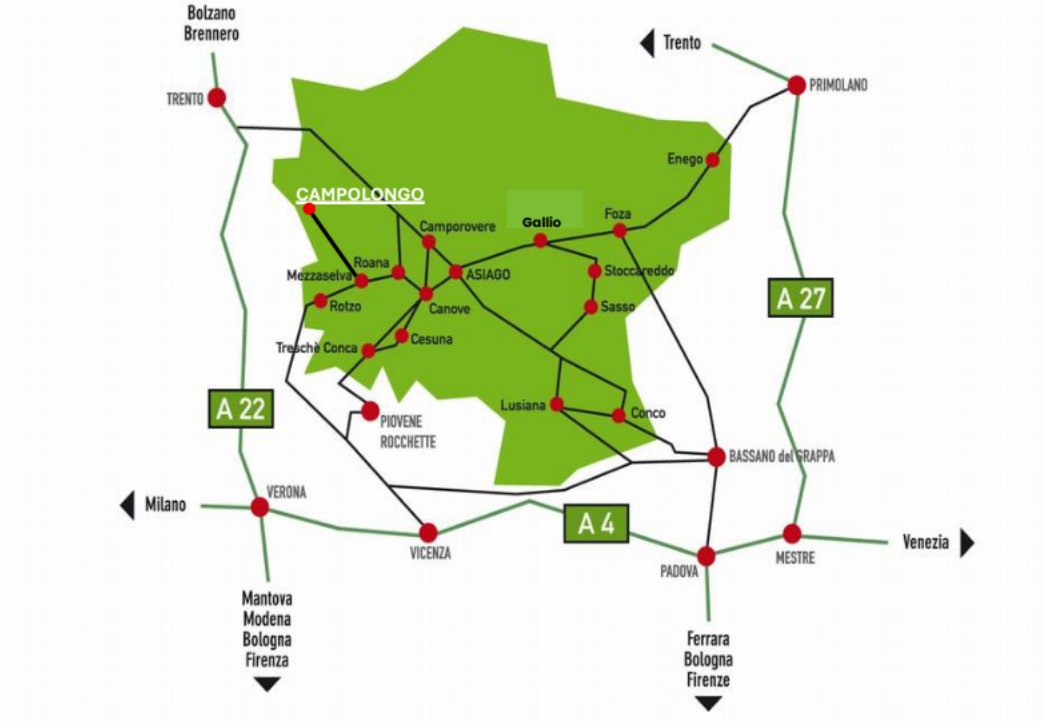

AMENDMENTS / UPDATES TO THE REGULATIONS

The organisation reserves the right to amend and/or supplement these Regulations. Any changes will be duly announced on our website and Facebook profile and will also be shown in HIGHLIGHTED BOLD CAPITAL LETTERS in this document.

COMPLAINTS

Given the promotional nature of the event, complaints will not be accepted for any reason.
